

Tremaine

We highly recommend that dancers of all ages experience a Tremaine Dance Convention.

This is an opportunity to work with some of the best teachers/choreographers from around the world, and will really pump your dancer up! If you have any questions, your teacher would be happy to answer them. Please let her know if your student plans on attending ASAP. We will not register students until tuition is paid.

The Gold Team will compete Motown (\$37), Safe and Sound (\$60), and Hip Hop (\$37).
